

1 The Public Safety Committee met in regular session on Wednesday, August 8, 2012 at
2 7:00 p.m. at the Seabrook Fire Station #1, 1850 East Meyer, Seabrook, Texas to
3 discuss and if appropriate, take action on the agenda items listed below.
4

5 **THOSE PRESENT WERE:**

6		
7	LAURA DAVIS	CHAIRPERSON
8	RAY COOK	SVFD FIRE CHIEF
9	ROY HUNTER	CLEMCCHIEF
10	GARRY MACK	SVFD PRESIDENT
11	JEFF GALYEAN	EMERGENCY MANAGEMENT COORDINATOR
12	DON HOLBROOK	COUNCIL MEMBER
13	MARC HATTON	POLICE REPRESENTATIVE
14	PETE BRACCIO	SEABROOK CITIZEN REPRESENTATIVE
15	RONICA HALL	SEABROOK CITIZEN REPRESENTATIVE
16	TOM MERCHANT	EL LAGO REPRESENTATIVE
17	MEREDITH BRANT	ASSISTANT CITY SECRETARY
18		

19 Chairperson Laura Davis called the meeting to order at 7:00 p.m.

20
21 **NEW BUSINESS**

22
23 Items 1 and 2 were considered together.

- 24
25 1. **Review submitted and/or current Public Safety Fund requests and integrate into**
26 **Public Safety Fund Budget.**
27
28 2. **Review current and future budget for the Public Safety Fund.**
29

30 Ms. Davis explained that the budget for the Public Safety Fund was deliberately set for
31 January to simplify the process and remain separate from the City's regular budget. She
32 also added that the funds available are from collections made last year and help insure
33 that the committee doesn't overspend. Available funds for next year are projected to be
34 \$91,200.
35

36 Jeff Galyean explained the purchases to date which total \$38,440, with \$15,000 allocated
37 but not spent and a balance of \$15,000 remaining. Ms. Davis added that unspent funds
38 rollover and ten percent is set aside to capture grant money and emergency needs.
39

40 Ms. Hall asked whether the funds could be used toward acquiring a 501(c)(3) for C.E.R.T.
41 She stated that there is a fee of \$400 for non-profit accounts that would always be less
42 than \$10,000 and a fee of \$850 for accounts over \$10,000. Currently there is \$528 in the
43 account which is sufficient for the smaller fee, but not enough for the larger fee. Members
44 recommended the higher fee and did not object to the use of Public Safety funds for such
45 an expense. Ms. Hall stated that she would submit the request at the September meeting.
46
47

48 **3. Discuss ISO rating process.**

49
50 Chief Cook stated that there is no new information for this item.

51
52 **4. Consider establishing an amateur radio operator facility.**

53
54 Mr. Holbrook stated that the size for the building should be determined as well as the
55 elevation required and the cost. He stated that a simple layout is required, but the fire
56 department should provide input on the specifications. Mr. Holbrook stated that he will set
57 up a meeting for additional input.

58
59 **5. Discuss purchasing options and specifications of the mobile command unit.**

60
61 Mr. Galyean stated that El Paso just purchased a mobile command unit which cost
62 \$440,000 and is similar to what the committee may be interested in. He added that this
63 one is chassis driven and the cost of a trailer is unknown at this time. Also, the cost of
64 housing would have to be factored in.

65
66 Chief Cook stated that the fire department may extend the covered area which might
67 accommodate the mobile command unit.

68
69 **6. Update from C.E.R.T. on progress in obtaining a 501(c)(3) including any**
70 **suggestions for assistance from the Public Safety Committee..**

71
72 Ms. Hall stated that C.E.R.T has received its non-profit status and is applying for its 501
73 (c)(3) as stated earlier in the meeting.

74
75 **7. Discuss emergency planning exercises as required for funding and part of a three-**
76 **year training plan.**

77
78 Mr. Galyean stated that as a part of the City's Emergency Management Preparedness
79 Grant (EMPG)'s training requirement, on the 28th of the month he will be participating in an
80 emergency exercise with the cities of Nassau Bay and Webster. He explained that training
81 starts as a tabletop exercise, then a functional exercise, then the actual exercise. CERT
82 will also participate in the exercises. He stated that there will also be more training with the
83 police department and the fire department. Exercises could be based on a pipeline
84 explosion, a chemical spill, a boating accident, a shooter or any other type scenario which
85 would be an emergency, placing citizens at risk. Currently, credit is not given for actual
86 events, so it is important to train with emergency entities as well as surrounding
87 communities.

88
89 Chief Cook stated that the Fire Department is building a better relationship with the Port
90 through joint training for HazMat issues, leading to a regional interface where teams
91 engage in five year commitments. In addition to better dealing with the safety issues, such
92 interfacing also prepares for better interactions with citizens.

93
94 Other comments included the continued need for more interoperability; concerns regarding
95 sufficient manpower; reliable communications during emergencies and continued training
96 exercises spearheaded by the Public Safety Committee.

97
98 Motion was made by Chief Cook and seconded by President Mack
99

100 To conduct a tabletop exercise at the October 10 meeting led by Mr. Galyean.
101

102 MOTION CARRIES BY UNANIMOUS CONSENT.
103

104 **8. Update on events affecting public safety since last meeting.**
105

106 C.E.R.T. – Taylor Lake Christian Church has signed up with the Red Cross as a shelter.
107 The next C.E.R.T. class starts January 10, 2013 and will be for eight weeks.
108

109 Fire Department – Chief Cook stated that HazMat training has been augmented by the
110 Port of Houston. They recently received a grant in kind for the GRACE accountability
111 system which interfaces with computers to use with air packs. It is countywide and part of
112 a Homeland Security Grant which is substantial. It will enable them to place one repeater
113 at each fire station as well as the chief's truck. Chief Cook also mentioned that the new
114 fireboat was placed in service last weekend and training on it will continue.
115

116 Police Department – Captain Wright stated that nothing major has happened. Currently
117 the PD is short two dispatchers.
118

119 CLEMC and El Lago had nothing to report.
120

121 Emergency Management – Officer Galyean stated that he is currently involved in the
122 Harris County emergency drill.
123

124 Chairperson Davis stated that City Council has looked at revising the resolution for the
125 Public Safety Committee in order to address the Public Safety Fund and to include
126 membership recommendations which may be modified to include two Council members,
127 CLEMC chief or designee, CERT coordinator, two members of SVFD (the chief and
128 president), Chief of Police or designee and the Emergency Management Coordinator. An
129 El Lago member would remain in an ex-officio capacity. City Council has requested that
130 the Public Safety Committee assess the current resolution and bring a new draft resolution
131 to Council. Ms. Davis stated that the three agenda attachments on this topic from the
132 Council meeting last night will be sent to members. She added that the revised resolution
133 will be for consideration at the September meeting of the committee.
134

135 **9. Review/approve minutes of the Public Safety meeting of July 11, 2012.**
136

137 Motion was made by Mr. Holbrook and seconded by Ms. Hall
138

139 To approve the minutes as written.
140

141 MOTION CARRIED BY UNANIMOUS CONSENT.
142

143 **10. Future meeting dates and agenda items.**
144

145 The next meeting will be September 12 at 7:00 p.m.

146
147 Upon motion, the meeting was adjourned at 8:28 p.m.
148
149

150
151 APPROVED THIS 12TH DAY OF SEPTEMBER, 2012
