## *Agenda Briefing*

---

**Date of Meeting:** February 18, 2025

**Responsible Department:** Emergency Services

**Presenter:** Kevin Rodgers, Fire Marshal | Emergency Management Coordinator

**Briefing Prepared By:** Kevin Rodgers

**Strategic Focus Area:** Consider and take all appropriate action on an amendment to the Public Safety Fund 2025 Budget to approve the request for \$125,648.03 for the funding of various items (attached in your council packets) utilized by the Police Department, Emergency Medical Services, Fire Department, Public Works and BayCERT.

---

**General Information:**

Consider and take all appropriate action on an amendment to the Public Safety Fund 2025 Budget to approve the request for \$125,648.03 which includes items to be purchased for the Public Safety agencies.

**Executive Summary / Background:**

The Public Safety Fund Budget is presented to the Council each year to approve the expenditures for the

Year. The Funds come from the water bill which is \$3 charge per month per meter and it is on an opt out

basis. The only funds historically spent are those collected throughout the previous year minus a 10%

amount that is set aside for a Reserve. The amount received was \$123,470.78 giving the public safety fund balance of \$221,445.26.

The Public Safety Task Force is requesting \$125,648.03 which includes items to be purchased for the Public Safety agencies.

These include, Police Department, Fire Department, Public Works Department, Emergency Medical Services, Fire Marshal and Office of

Emergency Management (which includes BayCERT). The Public Safety Fund Committee identified all requests as appropriate and justified.

This approval will leave a healthy reserve balance of \$108,144.30.

**Funding / Fiscal Information:**

Description/Subject:

**Purpose/Need:**

I am asking for the funds to replace the current EF Johnson radios that are in the racks at City Hall and at the Fire Station. The radios are 10+ years old and at end of life. Most likely if parts are needed for repair we will not be able to get them. There are (7) 800MHz radios and 3 VHF radios.

**Staff Recommendation:**

The Open Space & Trails Committee agreed on a resolution for reinstallation of the fence along the Carothers Coastal Gardens' property line.

Regarding the black chain link fencing that was installed near the northern boundary of Carothers Coastal Gardens Park. The fence was installed at the northern edge of the existing roadbed and not on the actual property line. The distance from the fence to the property line varies from approximately 6-8 feet to as much as 22 feet where it terminates at the bay.

OSTC asks that the fence be relocated as close as possible to the actual property line, with some minor exceptions for one or two larger trees and a power pole, which sits on the property line. **We request that a member of staff be present to monitor the relocation to ensure that all care is taken to preserve existing trees.** We do not think it appropriate to leave Park property for others to use and enjoy, while excluding citizens from that use and enjoyment.

OSTC realizes that the actual property line is near existing vegetation, including oleanders and small trees, but that nearly all of them would be inside the new fence location and subject to only minor disruptions. The E-W drainage ditch will likely be impacted, and it is possible that some fence posts will need to be set inside the ditch slope, or the ditch re-routed to accommodate the new fence line.

OSTC also submits that it would be an egregious misuse of CCG insurance proceeds to rectify this error with said funds. We feel strongly that funding to pay for this relocation should come from another source.
