Importance: High

Hi Paul,

Thank you for your time last week. We have been so busy it just slipped my mind.

Attached is a map which reflects, from a geographic standpoint, the market exposure you are getting in a host of new areas mostly unfamiliar with Seabrook Texas and all of the truly great things going here. In addition I have included a list of all the major events we have attended over the last 2+ years with the mileage traveled to each event which adds further value to your advertising investment having the Seabrook Logo on highways across the lower 48 states.

The impact and synergy with both Lakewood YC Jr. Sailing and KO Sailing conveniently located adjacent to each other has enabled this region to grow and attract more, better sailors. We have successfully held 4 nationals, 3 continental and 7 regional championships here in the immediate area since the outset of our contact in 2012. In that time customers of KO sailing who are supported by KO Sailing have finished in the following places at the respective events:

International Optimist Dinghy Association (IODA) : 12 entrants to the Worlds Championships in the last three years: Finishes in 2016 8th, 9th and 10th plus 1st place in international team racing resulting in the 1st place overall world Team Championships known as the Nation's Cup.

2016 I420 Keil Week: 1st, 3rd and 5th.

2015 Results: IODA European Championships: 1st Place

2010 – 2015 United States Optimist Dinghy Association (USODA) Girls National Champion: 2012, 13, 14, & 15.

In short we are providing products and services to assist young sailors achieve their goals such as College Entrance and Olympic Team Participation.

The list is long and growing. I can surmise that the partnership between KO Sailing and the Seabrook EDC has been mutually beneficial and lucrative for both parties. I look forward to discussing any and all future plans for cooperation between us.

Thank you again for your time and I look forward to hearing from you very soon. Please let me know if there is anything else you need from me for your meeting on Thursday.

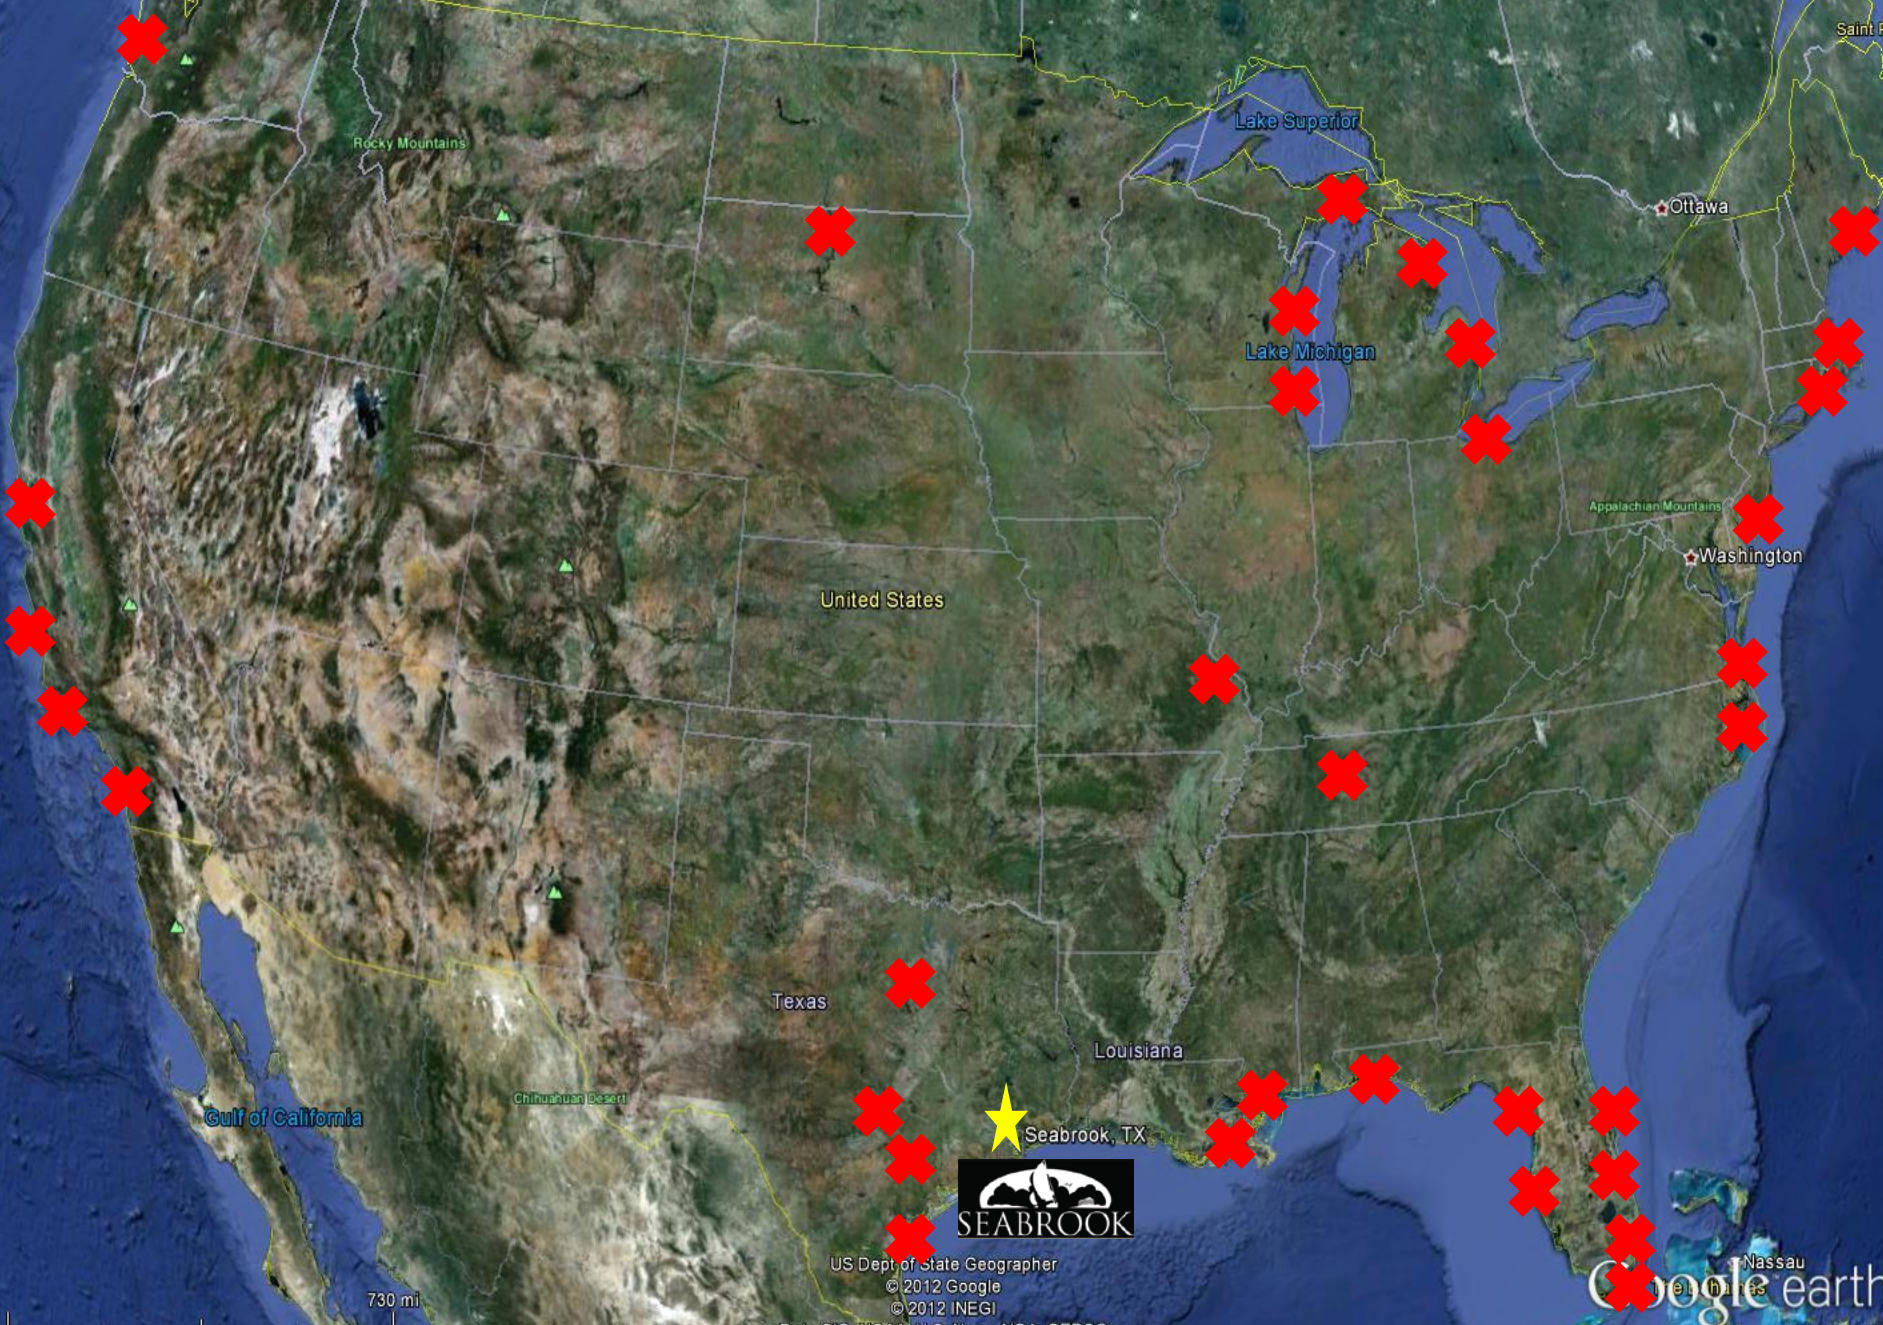

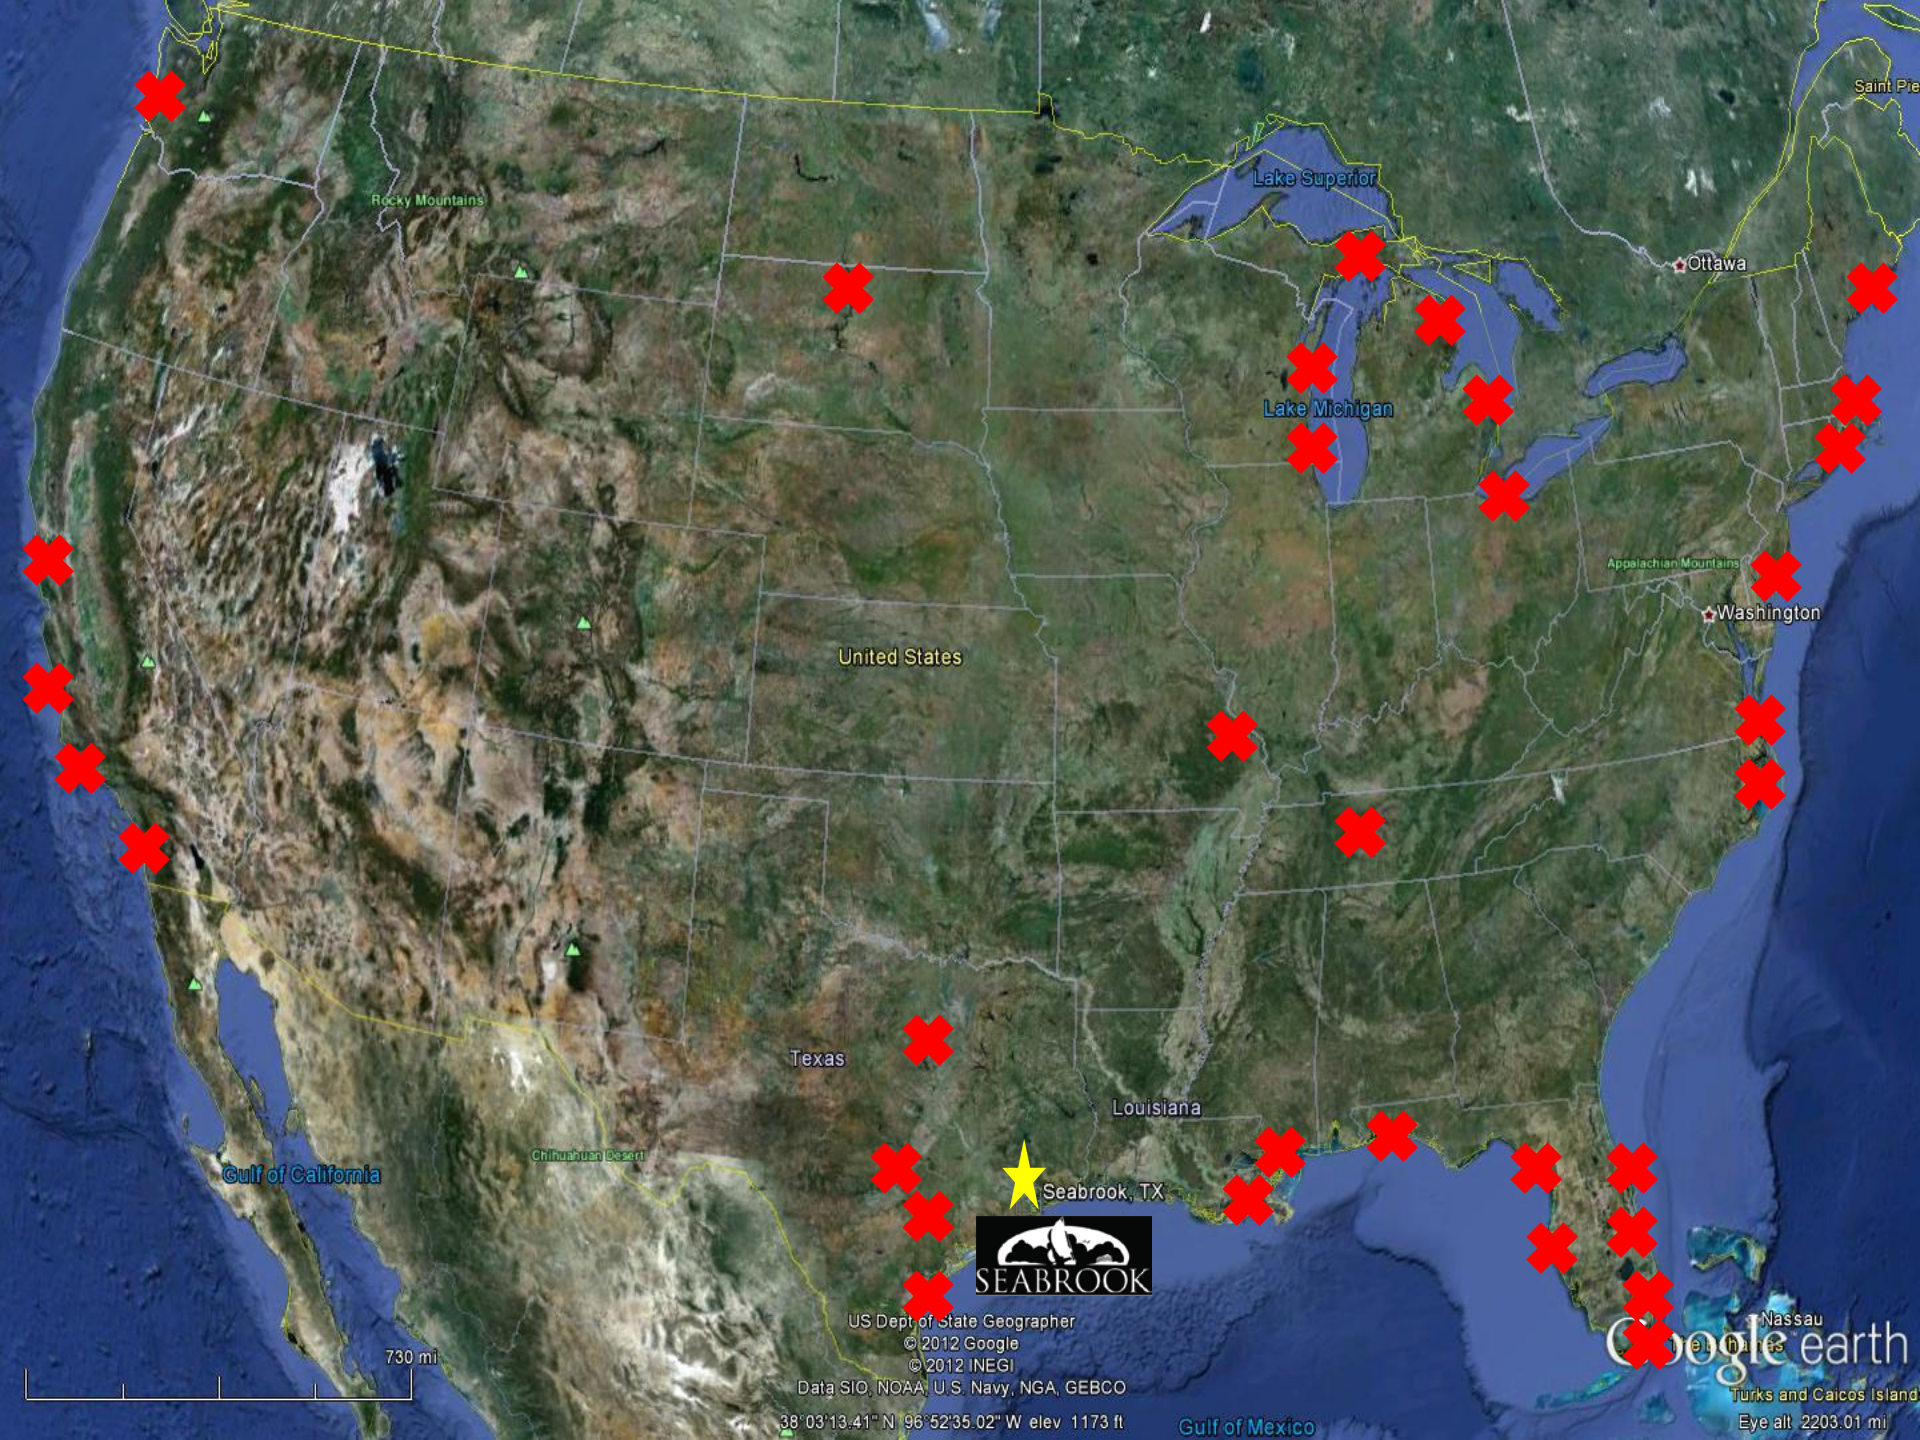

Best Regards

Mark

2016 SEDC Advertising Campaign

In keeping in theme with the 2015 My Business Belongs in Seabrook ad campaign we kicked off 2016 with “Your Business Belongs in Seabrook” ads in the Houston Business Journal.

- ¼ Page Print Ads: January 29, March 18 and May 6
- Online & Email Ads: February 1-29, March 18 – April 1, April 15-29, May 6-20 and June 3 – July 3
- Sponsor of Bay Area/Galveston Power Breakfast Panel

- Held at Lakewood Yacht Club on June 1st
- Included introduction about Seabrook and opportunities available by City Manager
- Plus ½ page ad in the June 17th edition of HBJ

Spring 2016 City Review

In the Spring edition of City Review both Gayle's community letter and the Master Comprehensive Plan were highlighted with the first two pages of the publication. City Review is mailed to all Seabrook residents and businesses directly, including apartment residents. Our next edition will be released in October.

My Business Belongs in Seabrook

We have brought back to life the "My Business Belongs in Seabrook" video campaign. Back Bay Boutique was filmed and released in June. If you know of a business we should highlight please email ldearman@seabrooktx.gov.

TX Film Friendly City Certification

In March I attended a TX Film Friendly City Workshop. This workshop provides training and ongoing guidance on how communities can effectively deal with on-location filming, as well as putting their best foot forward in marketing their resources. The TX Film Commission is part of the Office of the Governor: Economic Development Tourism department.

Seabrook will receive their "Film Friendly" certification from the TX Film Commission on Tuesday, July 19. TV programs like HGTV's *Fixer Upper* highlights the Waco/Dallas area very well. By partnering with the film commission Seabrook is more likely to be noticed by reputable film and tv organizations which in turns boosts our marketing efforts. Plus in the event that Seabrook is chosen for a film or tv program the economy will benefit from producers and their staff staying and working in the area during the filming process. Visit <http://gov.texas.gov/film> for more information.

Seabrook Love Campaign

During the 2016 Strategic Planning Session, Council and staff identified the need to brand Seabrook with a united theme. We now own iheartseabrook.com and seabrooklove.com and the sites will be combined into one main image of Seabrook highlighting dining, shopping, lodging and much more. It will be a responsive site that works well with phones and tablets. In addition to the site additional marketing materials will be created for social media, merchandise, etc.

Revitalization of the Pelican Path

During the 2016 Strategic Planning Session, Council identified the need to revitalize the Pelican Path Project. The Pelicans have easily become a tourist attraction and helps to boost economic activity. The Marketing and Communications department will develop a proposal to revitalize the program and hopes to work the EDC on getting the word out to local businesses. More details and proposal coming soon.

ANALYTICS & INSIGHTS GLOSSARY OF TERMS

Bounce Rate: The percentage of visits in which the visitor only views one page of your Website before leaving is known as the Bounce Rate. With Bounce Rate information, you can analyze the quality of user visits. A high Bounce Rate often indicates that your pages are not relevant to what your visitors are looking for. You can lower your bounce rate by generating better targeted ads and Landing Pages, as well as creating quality content that will engage visitors and draw them into your Website.

Cookie: A small amount of text data used to remember information from page to page and visit to visit. Cookies can contain information such as user preferences or shopping cart contents.

Direct Traffic: Visits to your site where the user types your URL into their browser's address bar or when a visitor uses a bookmark to get to your Website. It is important to know where your Website traffic is coming from so you can understand which marketing endeavors are working for you. Direct traffic illustrates how many of your visitors know your brand and Website URL. These visitors did not find your Website on search engines or on another site. They came directly to your Website.

Impression: The display of a referral link or advertisement on a web page.

Keywords: These are the words that visitors use to find your Website when using a search engine. Google Analytics provides a list of keywords that have been searched by users who find your Website. This information shows you what searchers are actually looking for when they find your Website. This also allows you to discover potential new keywords to target.

Lifetime Engaged Users: Lifetime: The number of people who clicked anywhere in your posts. (Unique Users)

Lifetime Negative Feedback: Lifetime: The number of people who have given negative feedback to your post. (Unique Users)

Lifetime Post Total Impressions: Lifetime: The number of impressions of your Page post. (Total Count)

Lifetime Post Impressions by people who have liked your Page: Lifetime: The number of impressions of your Page post to people who have liked your Page. (Total Count)

Lifetime Post Reach by people who like your Page: Lifetime: The number of people who saw your Page post because they've liked your Page (Unique Users)

Lifetime Post Total Reach: Lifetime: The total number of people your Page post was served to. (Unique Users)

Page View: The amount of times visitors arrive on individual pages of your Website. If a user reloads a page, that action will be counted as an additional page view. If a visitor navigates to a different page and then returns to the original page, a second Page View will be recorded as well. Page views allow you to see which pages on your site are the most popular.

Referring Sites: Other Websites that refer or send visitors to your Website are called referring sites. Knowing where your traffic is coming from is an easy way to increase your ROI. You can focus more resources on sites that are referring more traffic, or re-evaluate your campaigns on sites that are not driving much traffic.

Search Engines: Online tools that allow you to find specific Web pages by using a keyword search query. The three main search engines are Google, Yahoo, and Bing. Google Analytics segments your traffic data so you can see which search engines are driving traffic to your Website, and how much traffic each search engine is generating. Google Analytics allows you to separate this data into paid and non-paid results.

Traffic: The total number of visits to your Website.

Traffic Sources: Where your traffic is coming from. Google Analytics includes information on which sites your visitors are coming to your Website from as well as what keywords they are using to get to your Website.

Time on Site: The average length of time a visitor spends accessing your site within a specified time period. You can use this data to measure the effectiveness and quality of your Website. The longer visitors spend on your site, the more informative and interactive your site is.

Uniform Resource Locator (URL): The address of your Website (i.e. www.mycompany.com)

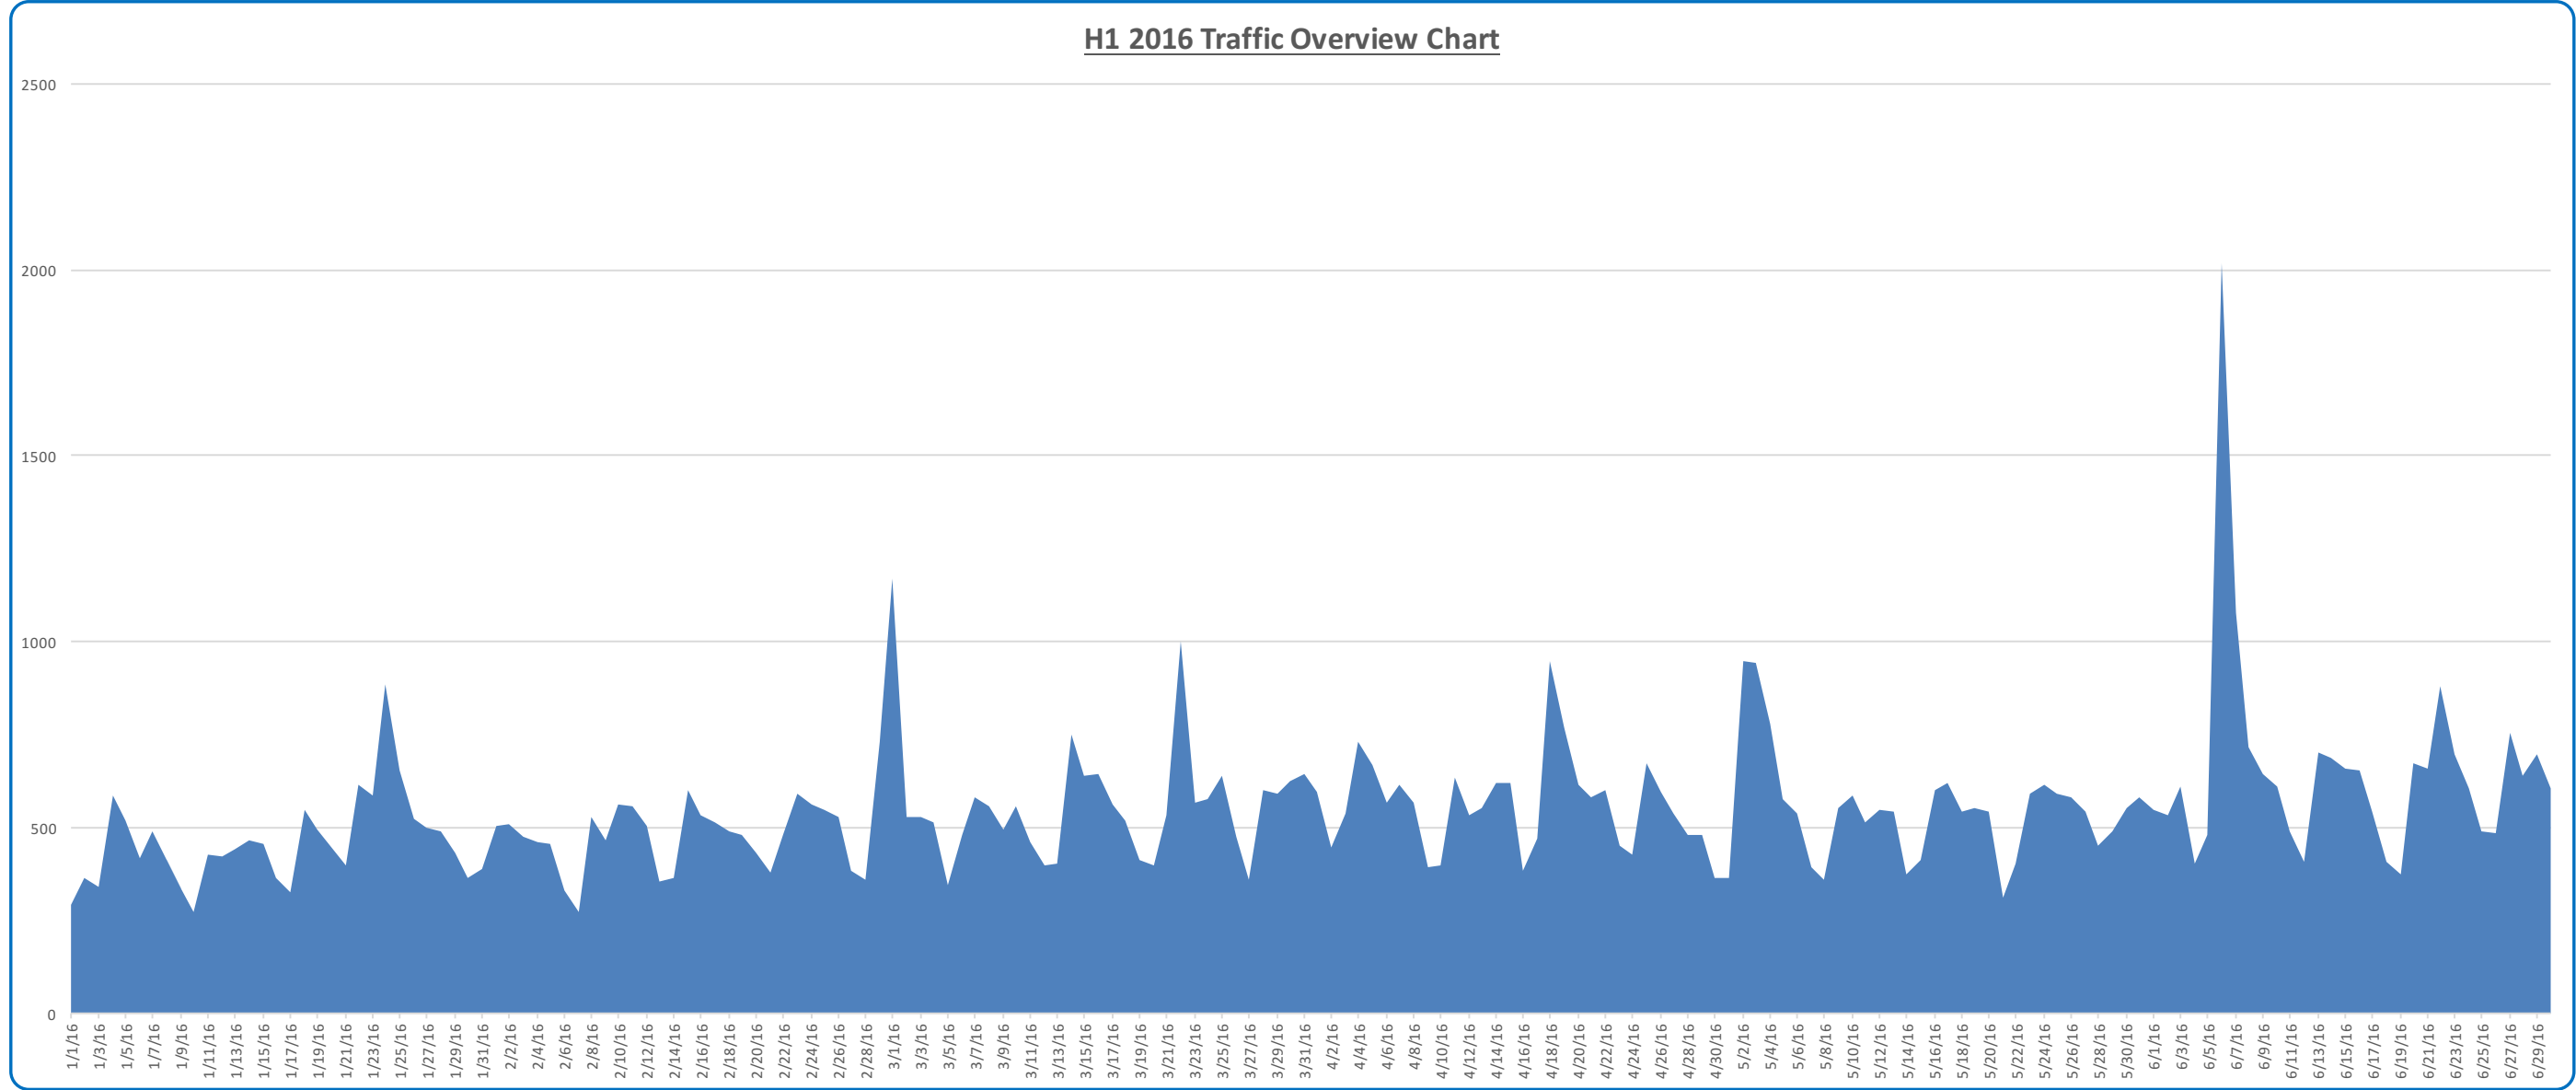

Unique Visitor: The number of individual (non-duplicate) visitors to a site over the course of a specific time period. This data is determined by cookies that are stored in visitor browsers.

Visits: The amount of times your Website is accessed. This data allows you to see how effectively your Website is being promoted. Watching the trends in your visits allows you to analyze which aspects of your online marketing are working.

Photo	The Houston-Galveston Area Council recently announced that a Seabrook project received recognition as part of the 2015 Parks and Natural Areas Award competition. These projects serve as models for planning and project implementation for parks and natural areas in the region. A Seabrook project was honored in the On-the-Ground Projects Under \$500K category. Pine Gully Natural Park, a project by the City of Seabrook, is the Winner in the On-the-Ground Projects Under \$500K category. This park is designed and constructed using recycled materials, such as fallen trees, decomposed granite, discarded tires, and cedar posts. Since 2006, the Parks and Natural Areas subcommittee, an extension of H-GAC's Natural Resources Advisory Committee, has recognized creative and innovative park and natural area projects that implement best management practices in planning, policy and development. 	residents and business owners to attend a special event on Thursday, March 3, 2016 that will be discussing what needs to be done to safeguard the Houston region against a massive hurricane, one that could have an overwhelming impact well beyond the upper Texas coast. The Houston-Galveston region is home to the nation's largest petrochemical complex and the Houston Ship Channel, a vital waterway that serves one of the largest ports in the nation and the world. As political and scientific leaders continue to debate an approach, billions of dollars in infrastructure, thousands of people and the economy of Texas face unprecedented dangers. Join Mayor Royal and others at the new San Jacinto College Maritime Technology and Training Center in La Porte for this discussion on how the region is at risk, what is being proposed to protect against those risks and what must be done to move a consensus approach forward. Tribune Managing Editor Ayen Mittre will moderate, and ProPublica News Applications Developer Al Shaw will present the immersive multimedia story. The panelists are: State Sen. Larry Taylor, R-Friendswood Chad Burke, president and CEO of the Economic Alliance Houston Port Region Leon Phillips, president of the Galveston County Coalition for Justice Len Waterworth, executive professor in the Department of Maritime Administration at Texas A&M University Galveston Community members are be invited to interact and engage with the project, launching March 3, which will include a mapping feature to explore the potential impact of such a storm at any location within the ship channel region. 	The City of Seabrook Municipal Court is participating in a statewide roundup of persons with outstanding municipal warrants. This year marks the 50th annual statewide event. The multi-jurisdictional warrant roundup begins in February and continues through March 5th. Defendants with outstanding warrants of arrest for traffic, parking, city ordinance, or state law violations are being targeted by multi-jurisdictions. The participating agencies, over 300 in Texas, are concentrating their efforts to clear these outstanding warrants. Affected persons are urged to contact the appropriate jurisdiction to dispose of their cases voluntarily and avoid arrest during the actual roundup. The Seabrook Municipal Court will be open Saturday, February 27, 2016 between 10:00 a.m. to 2:00 p.m. for anyone needing to pay their fine. Regular Court hours are Monday through Thursday from 7:30 a.m. to 5:00 p.m., and on Fridays between 8:00 a.m. to 5:00 p.m. Please contact the City of Seabrook Municipal Court at (281) 291-6714 if you have any questions about an outstanding warrant. Photo	The Seabrook Volunteer Fire Department will hold an Open House on Saturday, May 7, from 10 a.m. to 2 p.m. at SVFD Station 1, located at 1850 E. Meyer Road in Seabrook. During the Open House the SVFD will commission into service the new fire engine, Engine 10, which was purchased after the passing of Proposition No. 2 during the 2014 Bond Election. The new engine is replacing a 1994 fire truck. The engine is state of the art with the newest safety systems and will carry 750 gallons of water, 50 gallons of Class B foam, 20 gallons of Class A foam and a compressed air foam system. Join us at this Open House to view the new engine, watch a "Jaws of Life" rescue and to learn more about the Seabrook Volunteer Fire Department.	4/26/16 1:40 PM	0	0	54	14	0	0	0	34	https://www.facebook.com/SeabrookTX/posts/1556814751001814

Photo	We LOVE our Seabrook Volunteers and last night we honored them with an appreciation dinner at Carothers Coastal Gardens. Volunteering is about commitment and caring. The citizens of Seabrook work together to make our city a great place to live, work and visit! Get active in the Seabrook community by becoming a Seabrook volunteer. We have several volunteer opportunities available such as sitting on a Seabrook board or commission. Boards and commissions fulfill an important role in city government by evaluating issues which affect our community and make recommendations to the City Council for needed action. Although most boards and commissions are advisory in nature, a few are decision-making entities. The value of these bodies is a direct reflection of the interest and dedication of our citizens in making Seabrook a better place to live, and we encourage citizens to apply for appointment to any board or commission which may be of interest to them. To apply to be on a board or commission or to learn more go to: www.seabrooktx.gov/boards . #Heartseabrook #seabrooktx #volunteer #community	4/26/16 3:26 PM	2273	5410	198	2467	0	5140	0	171	https://www.facebook.com/SeabrookTX/posts/1557349887614967

		We have had so much fun today (5/7/2016) at the Seabrook Volunteer Fire Department Open House. We commissioned into service our new fire truck that was purchased with Bond Funds approved by Seabrook voters in the November 2014 Bond Election. Thank you to all the citizens of Seabrook who made this possible. I love Seabrook! Show us your Seabrook Love! Big thank you to the Seabrook Fire Auxiliary and the Seabrook Rotary for helping us out with the Open House today. 		This snake was spotted on the hike and bike trail at Mirror Fields over the weekend. It is a Water Moccasin also known as a Cottonmouth. It is a venomous snake that is semi-aquatic. Southeast Texas is home to many types of different snakes some that are dangerous, but many that are not. It is very important to NOT PANIC if you see a snake. Snakes do not prey on humans and they will not chase you, in fact they usually retreat or escape if given the opportunity. Freeze when snakes are known to be nearby until you know where they are. Allow the snake to retreat. If you must move, back slowly and carefully away from the snake. Do not play around with a dead snake, they have been known to bite and inject venom because of muscle contractions. Snakes like tall grass. Be careful when stepping over fallen logs and rock outcroppings and take care along water banks and underbrush. Animal burrows make excellent habitat for snakes- don't reach in without first checking. We have more information on the Animal Control section of our website about snakes and what to do if you sight a snake on your property. Go to www.seabrooktx.gov/snakes . 	We are right in the middle of mosquito season here in #seabrookTX and we just wanted to take a minute to remind you of our wonderful Public Works spraying program. The spray schedule depends on the mosquito population and weather. Currently, weather permitting, we are spraying Friday, Saturday, & Sunday nights. Our trucks only spray the public right of ways, so you may want to take steps to treat your property. One of the easiest and quickest ways to reduce mosquito populations is by eliminating standing water. Buckets, old tree stumps, bird baths, and debris are some of the biggest culprits in collecting stagnant water. Check out the Texas Department of State Health Services' website for more information on mosquito prevention and reduction: http://www.texasdhs.org/	6/7/16 6:45 AM	1345	2835	166	165	0	2609	0	44	https://www.facebook.com/SeabrookTX/posts/1591540854195870.0

	Apex waspslayers may look fluffy and harmless, but don't let them fool you! These little guys like to drop on unsuspecting people passing under shade trees. The ends of their hair are spiny and contain a powerful venom. They break off and become lodged in skin at even the lightest touch. The pain is immediate and intense and lasts for about an hour in most cases. If you spot one on your clothes, DO NOT remove it with your hand. Brush it away with a stick or some other object. If you are stung, do not rub the affected area with your hand. Instead, apply a piece of strong tape and pull it away to remove any venomous hairs still lodged in your skin. Then wash with soap and water and apply an ice pack to reduce pain and swelling. 	We had a special presentation tonight at the Seabrook City Council meeting recognizing volunteers who work tirelessly to help maintain and beautify our parks and trails. We said a special thank you to Savannah Lee, a Senior Girl Scout, who held a concert this past spring, "Musical Benches", that raised money to purchase new and replace old benches in our parks. Savannah raised enough funds for 10 benches! SkiTeam VIP, LLC
2510 De Four Trace
Seabrook, TX 77586

Meyer & Williams Street Parking Lot
Seabrook, TX 77586

Seller: SkiTeamVIP, LLC

Buyer: City of Seabrook / Seabrook EDC

Property: 3 lots total with frontage on Meyer Road-ROW and Williams Street-ROW. Lots A, B and 2 totaling approximately 27,269 square feet.

Lot A = 11,107 square feet (65'x170')	\$75,000
Lot B = 10,651 square feet (65'x160')	\$75,000
Lot 2 = 5,551 square feet (52'x105)	\$50,000

Price: \$200,000.00 total for 3 lots above (\$7.34/sqft)

Closing: July/August 2016.

Purpose: Old Seabrook has a severe need for additional public parking. This property is proposed for construction of a 93 space, public parking lot to enhance pedestrian access to businesses within the Old Seabrook District. The attached sketch shows the 93 spaces which is \$2,150/space for land cost. The property has public ROW on both ends and is an ideal and efficient parking lot width of 65 feet. The property adjoins existing City property on 2 sides and public ROW on both ends and would connect Meyer Road with Cook Street.

Zoning: OS "Old Seabrook District"

"This district is specifically designed to accommodate a select group of land use activities associated with that area in the community known as "Old Seabrook." In accordance with Comprehensive Master Plan 2030, the district is designed to enhance the special characteristics of Seabrook, the small town character, its waterfront, and to create a "unique" place. The land uses within this district are also intended to meet a portion of the community's tourism demand."

Notice of Project of the Seabrook Economic Development Corporation
Relating to Incentives for Seabrook Hospitality, LP (Hampton Inn)

NOTICE IS HEREBY GIVEN that the Seabrook Economic Development Corporation ("SEDC") intends to undertake a project for economic development including expenditures consistent with the purposes and duties as a Type B corporation by providing incentives through SEDC sales tax revenue, to promote or develop new or expanded business enterprises that create or retain primary jobs in or near the City of Seabrook. SEDC is proposing to expend SEDC sales tax funds as an incentive to assist the retention, construction and improvement of a hotel owned by Seabrook Hospitality, LP (Hampton Inn) for the following Project: repayment of building permit fees, not to exceed \$40,000. Payment of such expenditures is authorized for Projects under Texas Local Government Code, including, Section 505.158 and related provisions.

Pursuant to Texas Local Government Code section 505.159, the SEDC shall hold a public hearing for the Project on August 11, 2016, at 7:00 p.m. at Seabrook City Hall, 1700 First Street, Seabrook, Texas

Pursuant to Texas Local Government Code Section 505.160, and 505.302, proceeds of the sales tax imposed under Chapter 505 may be used to pay the costs of projects of the types added to the definition of "project" by Subchapter D, unless, not later than the 60th day after the date of this notice, the City Council of the City of Seabrook receives a petition signed by more than 10 percent of the registered voters of the municipality requesting that an election be held before tax proceeds may be used to promote new or expanded business development.

CERTIFICATE

I certify that this notice was posted on the bulletin board of Seabrook City Hall on July 21, 2016 and published in THE CITIZEN newspaper on July 21, 2016.

Pat Patel
EDC Administrative Assistant

ECONOMIC DEVELOPMENT AGREEMENT

THIS ECONOMIC DEVELOPMENT AGREEMENT ("Agreement") is made and entered into as of _____, 2016, by and between the **Seabrook Economic Development Corporation**, situated in Harris County, Texas ("SEDC"), and **Seabrook Hospitality, LP, doing business as the Hampton Inn Seabrook**, a Texas limited partnership, with registered office located at 3925 Lake Star Drive, League City, TX 77573, registered agent Guntant D Bhakta, and general partner Shurag Hospitality Group, LLC, ("Owner" or "Developer"), collectively referred to herein as the "Parties."

WITNESSETH:

WHEREAS, Developer/Owner proposes to make hotel construction improvements at its location at 3000 Nasa Rd 1, Seabrook, Texas, operating under the name of Hampton Inn Seabrook, located in the tract as referenced in Exhibit "B" and made a part hereof, hereinafter referred to as ("Project Facilities"); and

WHEREAS, Owner has proposed Project Facilities site improvements and submitted a Project Summary and budget to SEDC requesting reimbursement of City permit fees estimated to be approximately \$40,000 for construction of the total Project Facilities, estimated to be **\$5,905,000.00** and has applied for incentives from the SEDC under the Economic Development Incentive Programs, ("Program"); and

WHEREAS, upon completion of such construction, Developer proposes to construct a 35,000 square foot building of the Project Facilities as a hotel, ("Project"), collectively employing a minimum of 17 full time and part time employees; and

WHEREAS, Developer/Owner has applied to SEDC for a business incentive grant under the Program to help defray a portion of the total costs of construction referred to above, a copy of which application, including project summary, and budget, (the "Application") is attached hereto and made a part hereof as Exhibit "A," the representations contained therein which the SEDC is specifically relying upon as true and correct in considering Owner's/Developer's Application for the Project; and

WHEREAS, pursuant to the Texas Local Government Code, Chapters 501 and 505 together with related authority, Economic Development Corporations of municipalities are

Development Agreement Seabrook Hospitality LP (Hampton Inn) Updated 070616 Clean for SEDC

authorized to establish programs to promote the creation or retention of jobs and/or that promote or develop new or expanded business enterprises in the municipality; and

WHEREAS, in accordance with such enabling laws, SEDC has adopted “Economic Development Incentive Programs, as provided for in SEDC Resolution 2016-1,” (the "Program"); and

WHEREAS, SEDC hereby finds and determines that Developer's/Owner's proposed Project, together with the proposed Project Facilities, as set forth in the Application and related correspondence, meets the minimum eligibility requirements for an economic incentive grant pursuant to the Program; and

WHEREAS, SEDC hereby finds and determines that the Project, as depicted by Developer/Owner in the Application and related correspondence, encourages the creation or retention of jobs and/or promotes or develops new or expanded business enterprises in the municipality and can be reasonably anticipated to act as a catalyst for further economic development, particularly tourism in the City of Seabrook; and

WHEREAS, SEDC, in reliance upon Developer's/Owner's representations desires to provide an economic development incentive grant under the Program to induce Developer/Owner to proceed with the implementation of the Project; now therefore,

FOR AND IN CONSIDERATION of the mutual promises, covenants, and agreements herein, the Parties agree as follows:

I. Inducement by SEDC. Conditioned upon Developer's/Owner's representations as being true and correct; completion of the Project; final approval of the Project Facilities by SEDC; compliance with the guidelines of the Program, City Code of Ordinances, this Agreement; and approval by the Seabrook City Council, SEDC will provide, in the form of a reimbursement to Developer/Owner, an economic incentive grant ("Grant"), payable within thirty (30) days following issuance to the Developer/Owner of a required final certificate of occupancy applicable to the Project Facilities. The final reimbursement amount of the economic incentive grant shall be determined and based on the actual amounts paid by Developer/Owner, for the required building permits for construction of the Project Facilities approved by the SEDC in accordance with the Program and Project, in an amount not to exceed **\$40,000**.

II. Performance by Developer.

A. Improvements to Project Facilities. Developer/Owner shall provide for the

Development Agreement Seabrook Hospitality LP (Hampton Inn) Updated 070616 Clean for SEDC

construction and build-out of the Project Facilities as set forth in the Application. Construction shall be substantially complete on or before July 1, 2017.

B. Employment. Owner/Developer, pursuant to the Project shall, within 30 days following the date of issuance of Grant funds, collectively employ not less than 17 full and part-time employees.

III. Recapture for Default. Grant funds provided hereunder by SEDC shall be contingent on compliance with the provisions of Sections I and II above. In the event of default on any of such requirements, and failure to completely cure any such default within thirty (30) days following written notice thereof by SEDC to Developer/Owner, Developer/Owner shall refund to SEDC the full amount of Grant funds provided hereunder.

Any required refund payment shall be remitted to SEDC within thirty (30) days following the expiration of the cure period set forth above, and any delinquent payment shall bear interest at the maximum rate allowed by law.

IV. Jurisdiction. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Texas. Venue for any action arising out of this Agreement shall be exclusively in Harris County, Texas.

V. Notices. Any notice hereunder shall be given in writing to the party for whom it is intended, in person or by certified mail, at the following addresses or such future addresses as may be designated in writing:

If to Owner/Developer:

Seabrook Hospitality, LP
Sal Bhakta, Manager
3925 Lake Star Drive
League City, TX 77573

If to SEDC:

City Manager
City of Seabrook
1700 First St.
Seabrook , Texas 77586

Notice shall be deemed received upon actual receipt or upon refusal of receipt.

VI. Assignment and Succession. This Agreement shall be binding upon and inure to the benefit of the heirs, successors, affiliates, administrators, executors, and assigns of the

respective parties. All rights hereunder may be assigned by Developer/Owner without restriction to any wholly owned subsidiary or affiliate of Developer/Owner or other entity controlled by Developer/Owner or by a subsidiary or affiliate of Developer/Owner, provided that notice of each assignment shall be given in writing to SEDC, but no other assignment shall be effective without the SEDC's written approval and consent. Provided further, no assignment hereunder shall be effective without the written acknowledgment and acceptance by the assignee of the duties and obligations of Developer/Owner set forth in this Agreement. Such approval shall not be unreasonably withheld.

VII. Time of Essence. Time is of the essence of this Agreement. However, in the event the date specified or computed under this Agreement for the performance of an obligation by any party, or for the occurrence of any event provided herein, shall be a Saturday, Sunday or "legal holiday" (defined for purposes hereof as any holiday observed by the City), then the date of such performance or occurrence shall automatically be extended to the next calendar day that is not a Saturday, Sunday or legal holiday.

VIII. Modification/Entire Agreement Expressed. No modification of this Agreement shall be valid or binding unless such modification is in writing, duly dated, and signed by the Parties. This Agreement constitutes the entire agreement between the parties. No party shall be bound by any term, conditions, statement, or representations, oral or written, not herein contained.

IX. Severability. If any term or provision of this Agreement is held to be illegal, invalid, or unenforceable, the legality, validity, or enforceability of the remaining terms or provisions of this Agreement shall not be affected thereby; and in lieu of such illegal, invalid, or unenforceable term or provision, there shall be added automatically to this Agreement, a legal, valid, or enforceable term or provision, as similar as possible to the term or provision declared illegal, invalid, or unenforceable.

X. Paragraph Headings. The paragraph headings contained in this Agreement are for convenience only and shall in no way enlarge or limit the scope or meaning of the various and several paragraph contained herein.

XI. Operations. It is expressly agreed that nothing contained in this Agreement shall be construed to contain a covenant, either express or implied, to either commence the operation of a business or thereafter continuously operate a business in the Project Facilities.

The SEDC and Developer/Owner acknowledge and agree that Developer/Owner may, at its sole discretion and at any time cease the operation of its business in the Project Facilities, and SEDC hereby waives any legal action for damages or for equitable relief which might be available because of such cessation of business activity by Developer/Owner except for the recapture of Grant funds as specifically set forth in this Agreement. Provided, however, if Developer/Owner fails to construct the improvements to the Project Facilities as set forth herein, Developer/Owner agrees to reimburse SEDC for all costs expended by SEDC or for which it is legally obligated to expend, as a result of its performance of this Agreement. Nothing contained in this Agreement shall be construed as creating a partnership, joint venture, or other entity between SEDC and Developer/Owner, with regard to the Project, and SEDC shall have no right hereunder to control the operation of Developer/Owner or the Project. Provided, however, nothing contained herein shall be construed as waiving or limiting the power and authority of SEDC or the City of Seabrook to exercise its police powers, or exempt Developer/Owner from complying with lawfully adopted rules, regulations, ordinances, or laws of the State of Texas or SEDC.

XII. Agreement Product of Negotiation. The Parties agree that this Agreement is the product of negotiation, that each Party has been represented by counsel of their own choosing, that each has freely entered into this Agreement after consulting with their counsel, and that this Agreement contains the terms and conditions requested and required by each. This Agreement shall be construed as having been drafted by all Parties and no term or provision shall be construed either in favor of or against a party on the basis that a party did or did not author this Agreement.

XIII. Limit Of Appropriation. Prior to the execution of this Agreement, Owner/Developer has been advised by the SEDC and Owner/Developer clearly understands and agrees, such understanding and agreement being of the absolute essence to this Agreement, that the SEDC shall have available as a condition for payment, only those sums as expressly provided for under this Agreement for this fiscal year to discharge any and all liabilities which may be incurred by the SEDC. The total compensation that Owner/Developer may become entitled to hereunder and the total sum that the SEDC shall become liable to pay to Owner/Developer hereunder shall not under any conditions, circumstances, or interpretations hereof exceed the amounts as provided for in this Agreement.

The Parties specifically acknowledge that the funds allocated for payment to Development Agreement Seabrook Hospitality LP (Hampton Inn) Updated 070616 Clean for SEDC

Owner/Developer by SEDC are derived from sales tax revenues, and that SEDC has only estimated the anticipated tax revenues to be collected during the term of this Agreement in its budget for Fiscal Year 2015-16, and that no estimates have been made of tax revenues for future fiscal years. Owner/Developer further understands, acknowledges, and agrees that if the tax revenues actually collected in any fiscal year are estimated to be or are actually less than the estimated tax revenues anticipated to be collected during the term of this Agreement, SEDC shall be under no obligation to reimburse Owner/Developer for the amount set forth in Section I. Owner/Developer further acknowledges that this Agreement could be anticipated to extend into future fiscal years, and funds may not be available or budgeted in future fiscal years, and that any anticipation of extension may not be enforceable under the Constitution and laws of the State of Texas.

XIV. Employment of Undocumented Workers. Owner/Developer acknowledges prior notice provided by SEDC/City, that all Agreements related to the construction of the Project shall contain notifications required by Texas Govt. Code Section 2264, such as the following: During the term of this Agreement, the Owner/Developer agrees not to knowingly employ any undocumented workers as defined in Tex. Govt. Code Sec. 2264.001. If convicted of a violation under 8 U.S.C. § 1324a(f), the Owner/Developer shall repay the amount of the Grants/incentives and any other funds received by the Owner/Developer from the City as of the date of such violation not later than 120 days after the date the Owner/Developer is notified by the City of a violation of this section, plus interest from the date the Grant/incentive was paid to the Owner/Developer, at the rate periodically announced by the Wall Street Journal as the prime or base commercial lending rate, or if the Wall Street Journal shall ever cease to exist or cease to announce a prime or base lending rate, then at the annual rate of interest from time to time announced by Citibank, N.A. (or by any other New York money center bank selected by the City) as its prime or base commercial lending rate. The payment of interest shall be as if it had been accruing from the date the Grants/incentives were paid to the Owner/Developer until the date the Grants/incentives are repaid to the City.

IN WITNESS WHEREOF, and as authorized respectively by the SEDC, City Council of Seabrook and Seabrook Hospitality, LP, by and through their respective authorized agents, the parties have executed this Agreement effective the day and year first written above.

Goals 2016-2017

Promote Seabrook branding, image enhancement, communication and key marketing initiatives.

- Develop branding campaign with distinct branding and signage for each district within the city: The Point, Old Seabrook, SH146 Corridor, North Seabrook, NASA Parkway / Lakefront.
- Partner with P&Z and City to develop design enhancements to the SH146 corridor to incorporate Seabrook-specific design enhancements.
- Development of entry signage / gateway into city
- Support implementation of the view corridor and boardwalk recommendation as outlined in the Waterfront development Plan and the Comprehensive Master Plan.

Focus on the development and promotion of Old Seabrook. This will include:

- Development of retail corridor along Main Street
- Explore city infrastructure issues / options for parking and pedestrian traffic
- Work with P&Z and City on ordinances / zoning
- Support the application of a Main Street / Livable Centers Grant from H-GAC for Old Seabrook

Reviewing and potential expansion of incentives for business development.

- Old Seabrook EDC Improvement Project
- Demolition Grant Program
- Storefront Façade Improvement Grant
- Chapter 380 Agreement

Provide guidance to the Seabrook City Council on economic development decisions and future land uses.

2016-2017 Budget Notes

1 – OFFICE SUPPLIES

Office supplies such as postage, business cards, envelopes, etc. This year, the budget ran over due to hiring a new employee and needing furniture for that office.

2016 BUDGET: \$100

2016 TO DATE: \$1,478

2017 BUDGET: \$100

2 - ADVERTISING

- Houston Business Journal (12 months - print & online)
- Buy Local Campaign
- Seabrook Event Sponsorship
- Promotional items
- Other advertising opportunities

Houston Business Journal – For 2015-2016 – our campaign focused on running testimonials by local business owners. For 2016-2017, our strategy will be to continue the testimonials as part of our local business awareness, promoting sites for development in the city – especially upcoming pad sites, available green spaces, and existing retail centers.

2016 BUDGET: \$40,000

2016 FORECAST: \$38,283

2017 BUDGET: \$44,000

Buy Local Campaign – This will be our fourth year with the program. The first year, we had 78 participants. The second and third year, we had 84 participants. The book is mailed to all residents of the city and given away at large events such as Keels & Wheels and Seabrook Lucky Trail.

For this year, Anderson Advertising is rolling out a new feature for the program: An Electronic Directory and Mobile App. This component provides for data collection and tracking reports based on customer usage. This information would be useful not only for justification of the program, but also provide for an additional incentive for businesses locating and expanding in our city. Plus – the coupon management app would remove the management burden off city staff.

2016 BUDGET: \$12,000

2016 TO DATE: \$11,948

2017 BUDGET: \$16,000

Seabrook Event Sponsorship – This item was created to support opportunities for sponsorships of community events that bring visitors from outside of our city. *Note that \$10,000 was spent in FY 2014-2015 for Celebration Seabrook.*

2016 BUDGET: \$0

2016 TO DATE: \$0

2017 BUDGET: \$10,000

Promotional items and Other advertising opportunities – these items are for publishing public notices of projects and other contingencies.

2016 BUDGET: \$3,000

2016 TO DATE: \$2,075
